HIDDEN COCKPIT ROOF
& SLEEK LINES

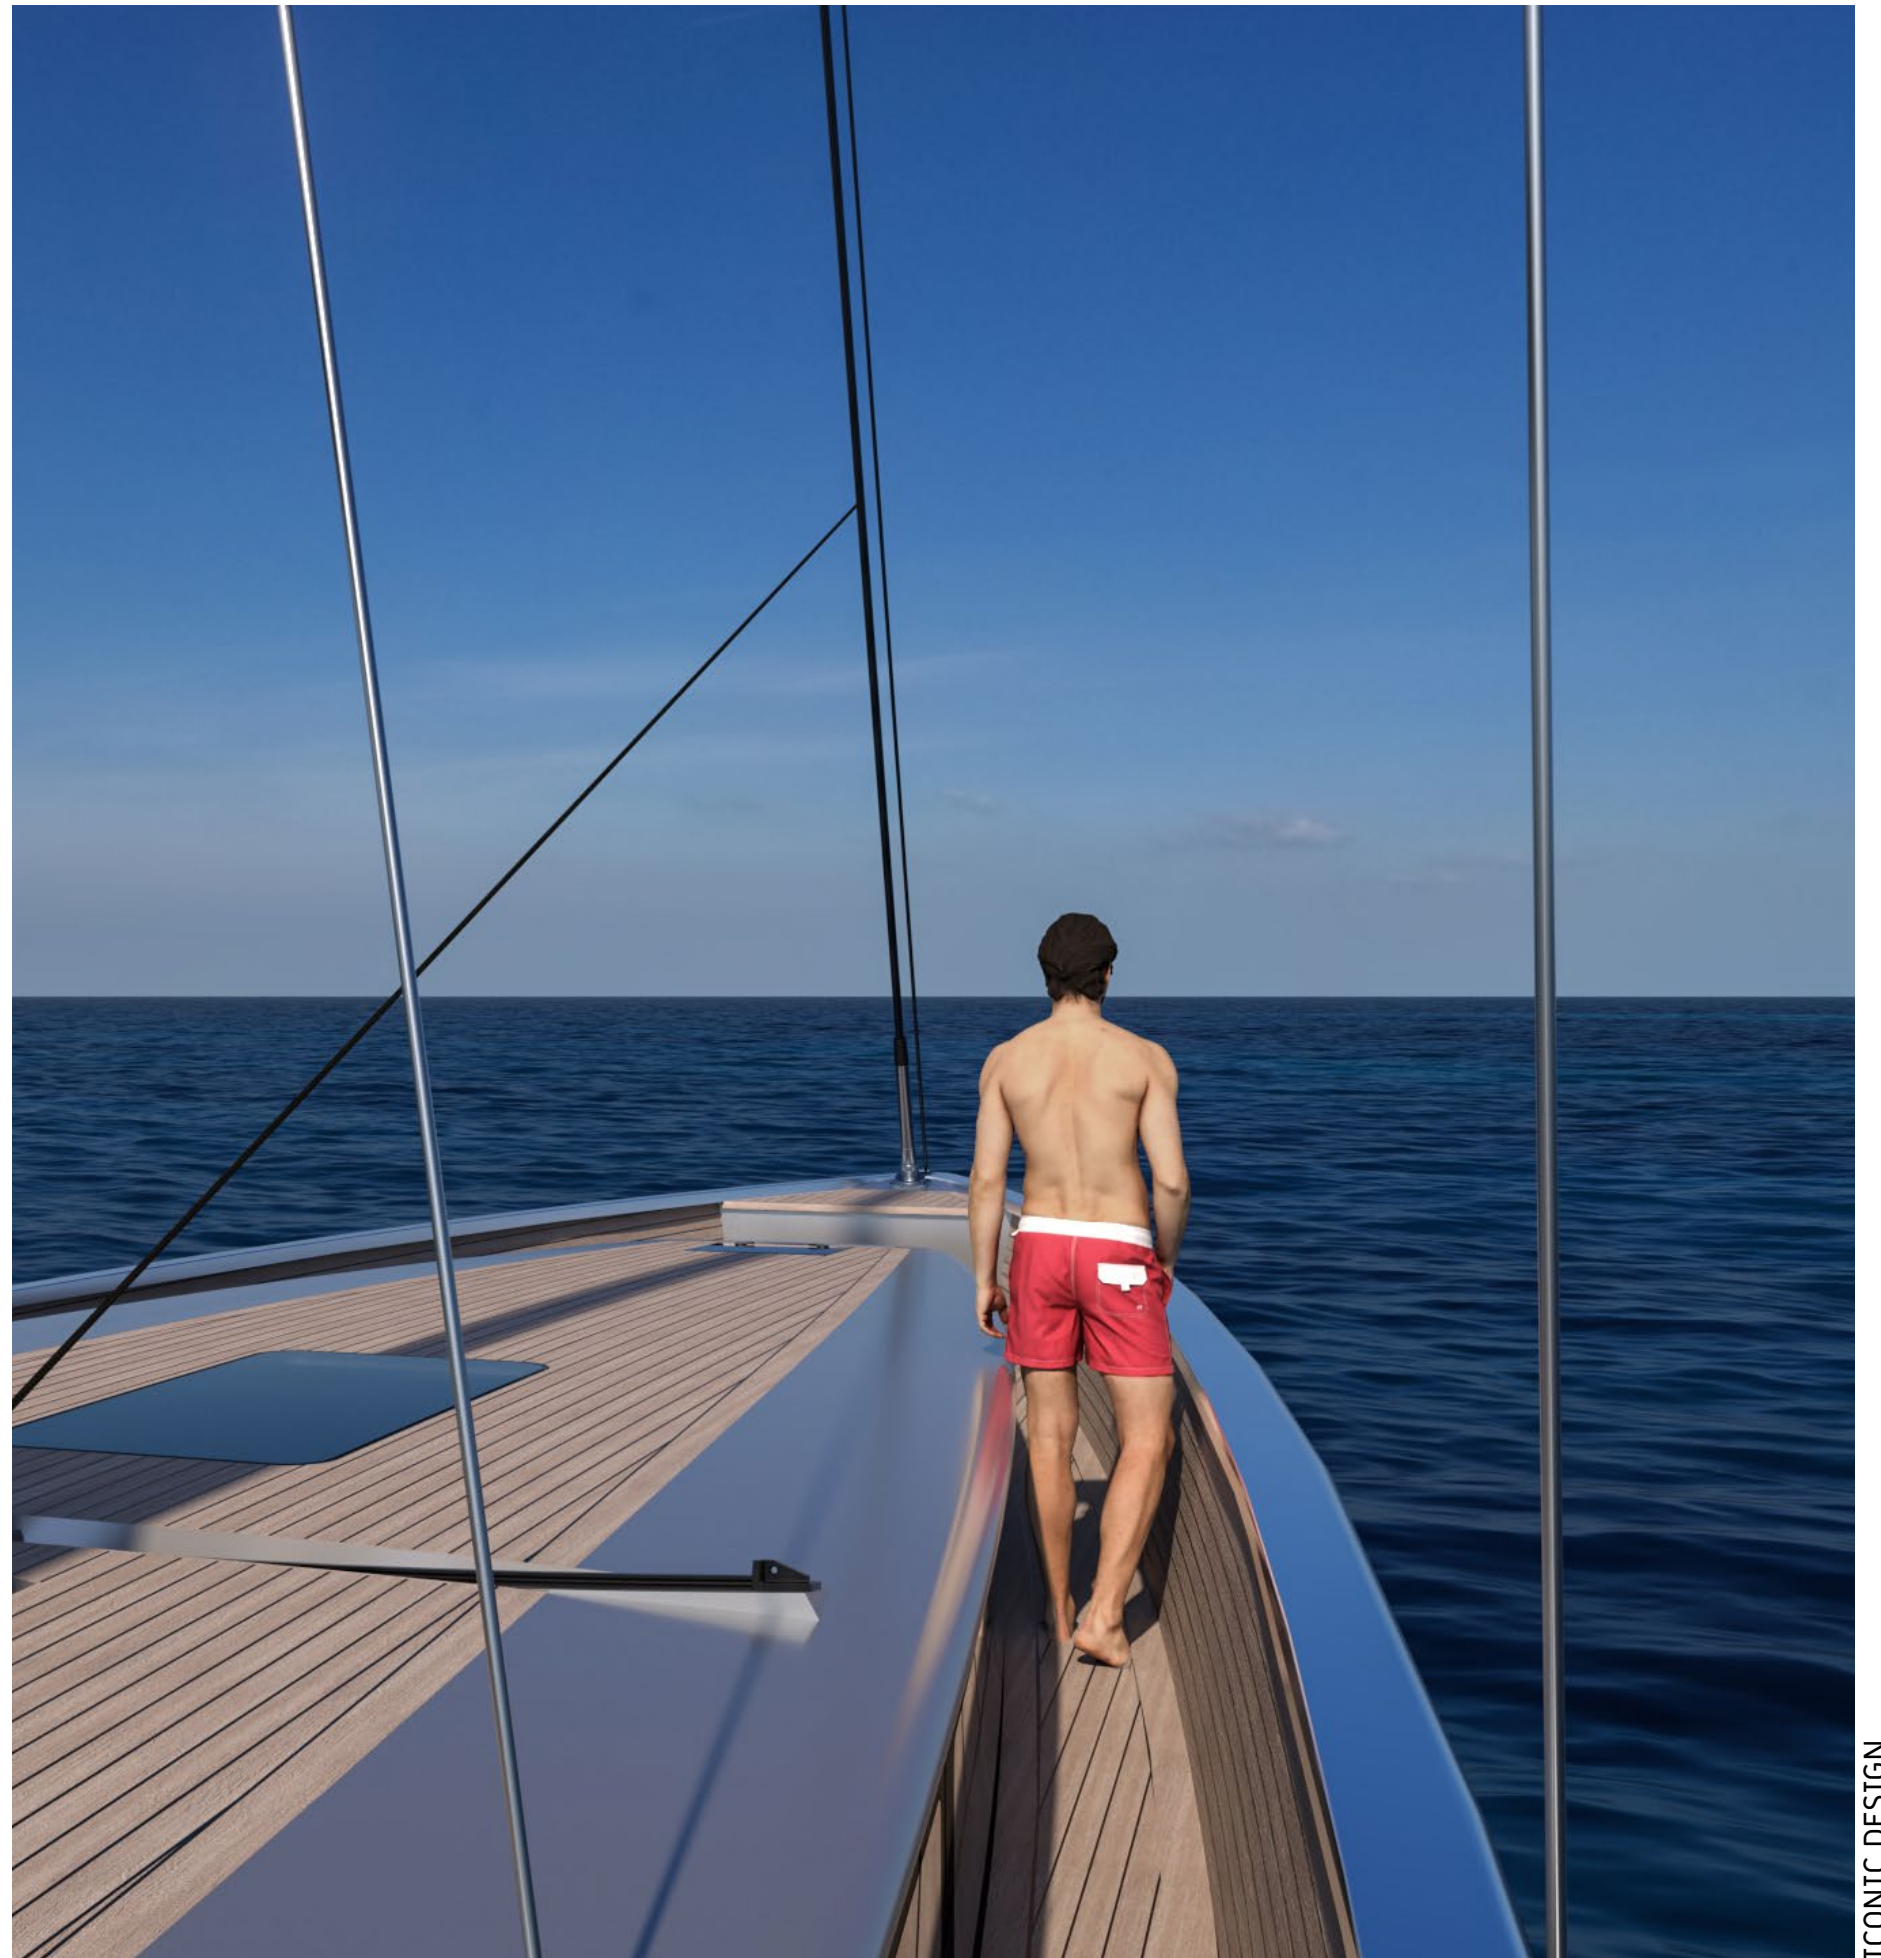

ICONIC DESIGN

YBREEZE

WALKAROUND & COACHROOF

The YB75 is a sailboat designed with a high bulwark and a hidden coachroof, resulting in sleek lines and an aesthetically pleasing appearance. The high bulwark serves multiple purposes, one of which is allowing to eliminate the need for a pulpit and stanchions.

This design choice maintains a safe walkaround area on the boat, ensuring the security of those on board.

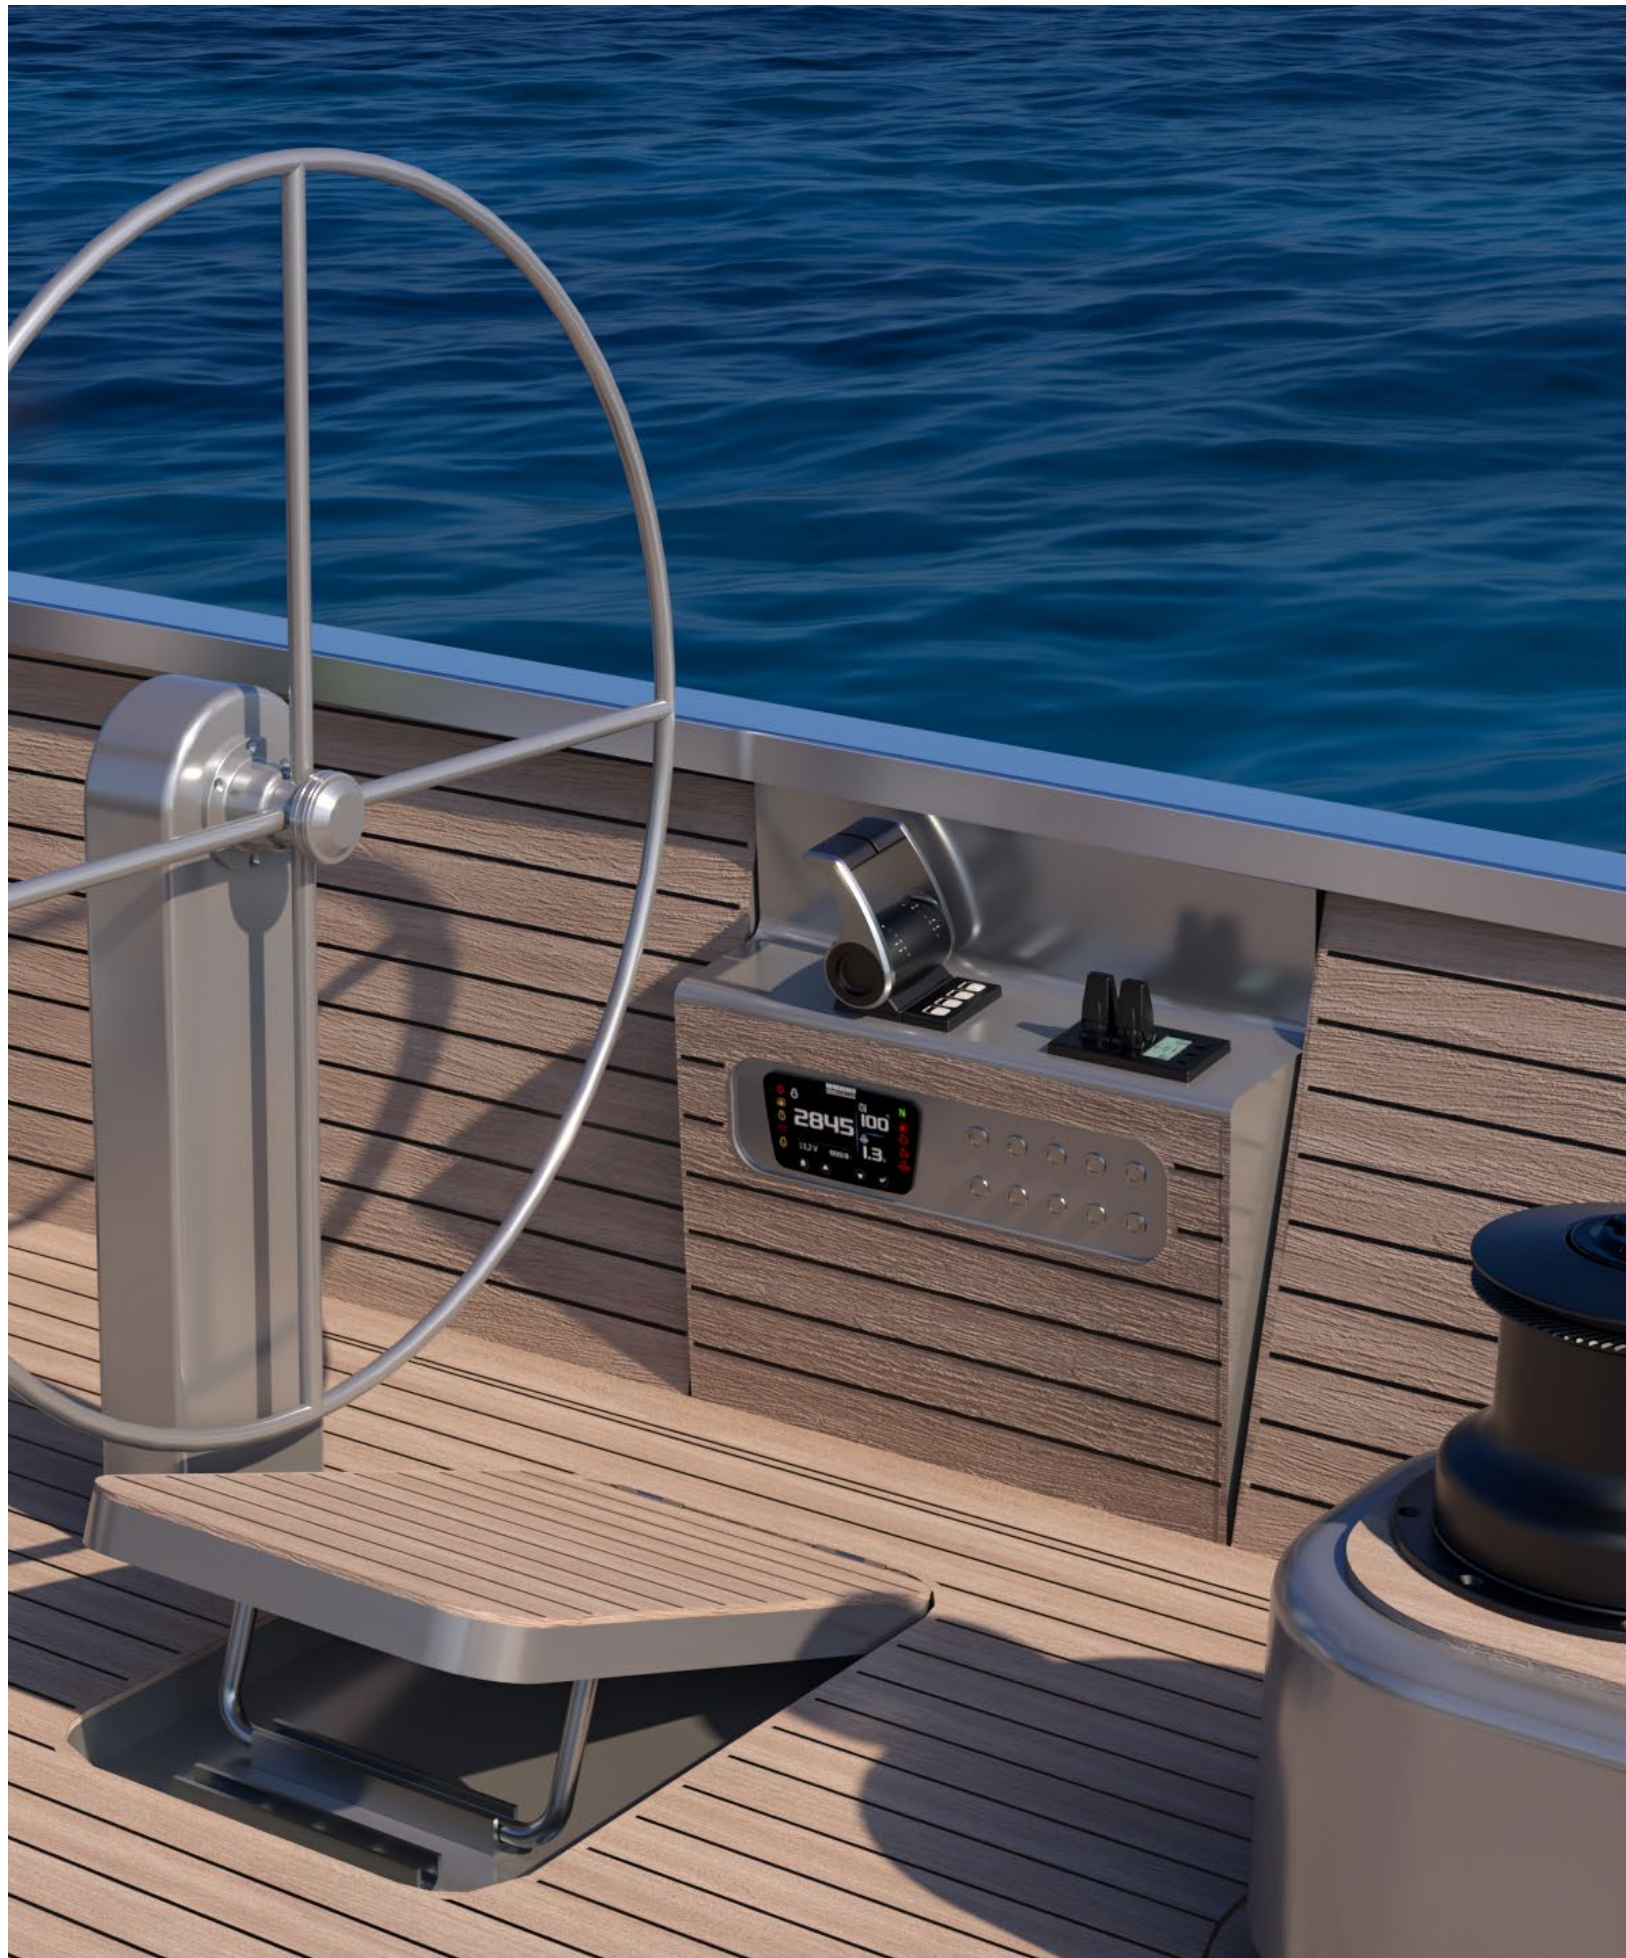

ICONIC DESIGN

YBREEZE

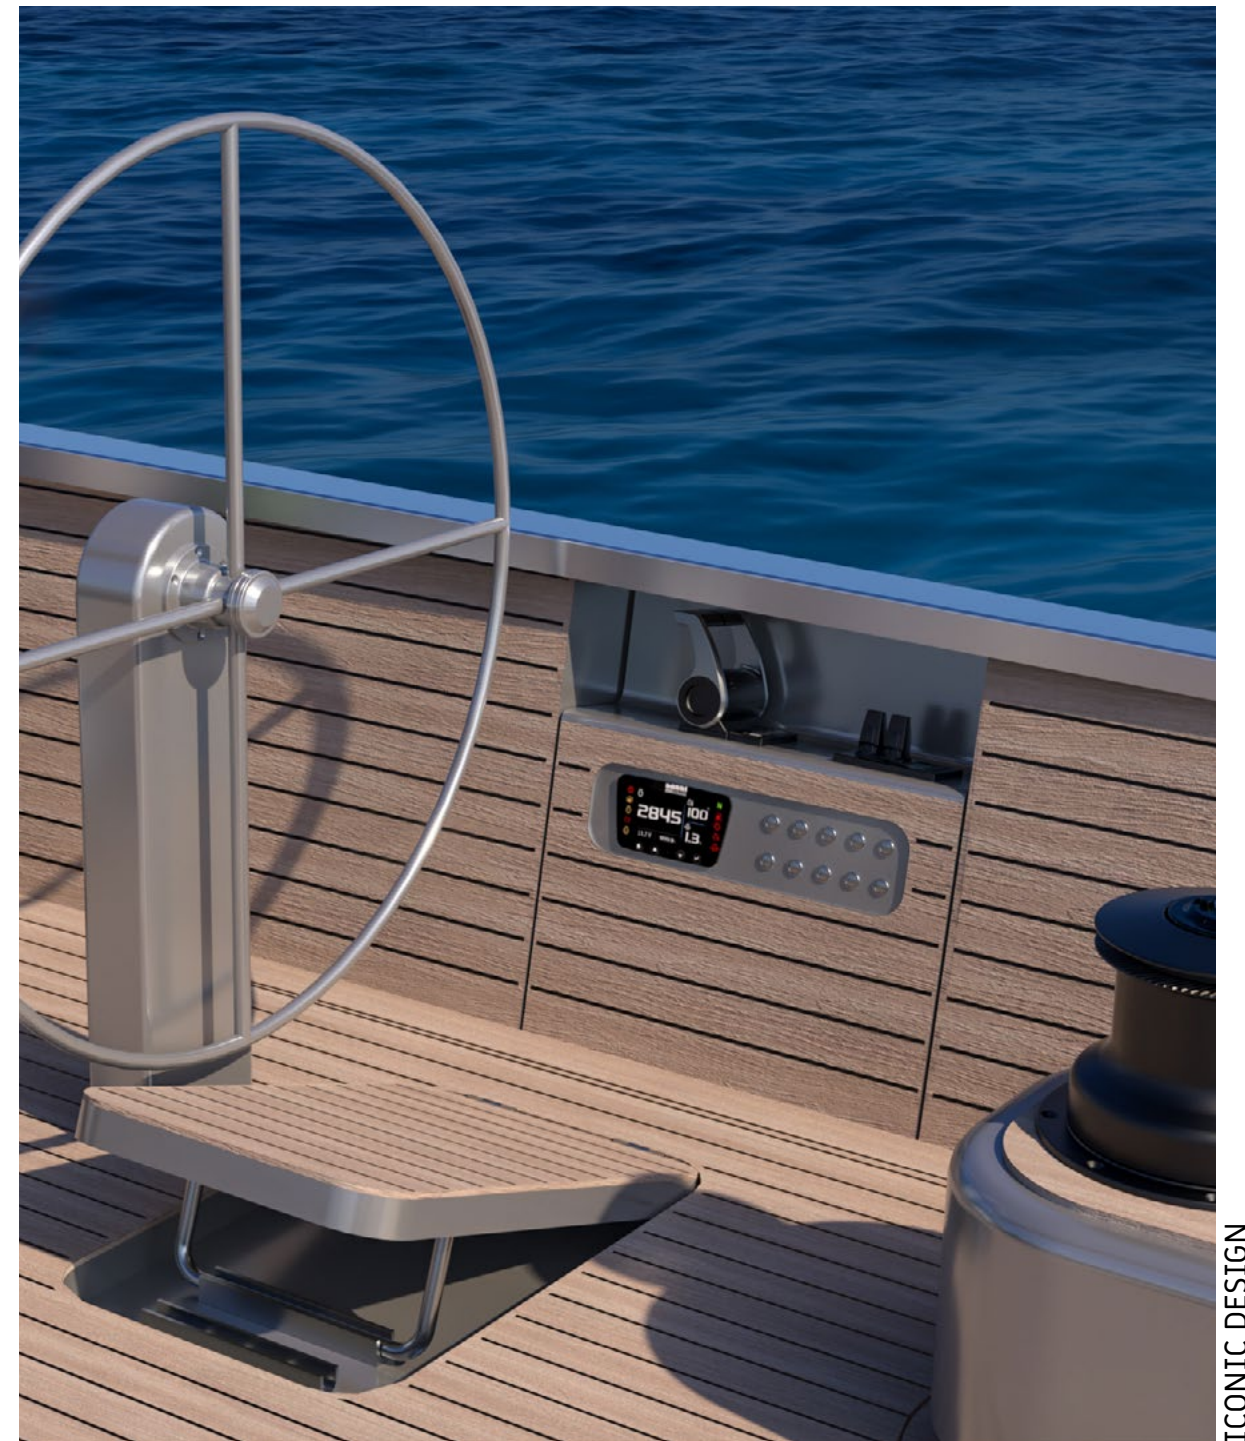

CLEAN GEOMETRY

Integrating technical components with the superstructure of a boat or yacht can contribute to a clean and elegant appearance.

CONSOLE

Integrating the steering console into the bulwark thickness not only contributes to a clean and visually appealing design but also improves ergonomics, comfort, and safety for those operating the boat.

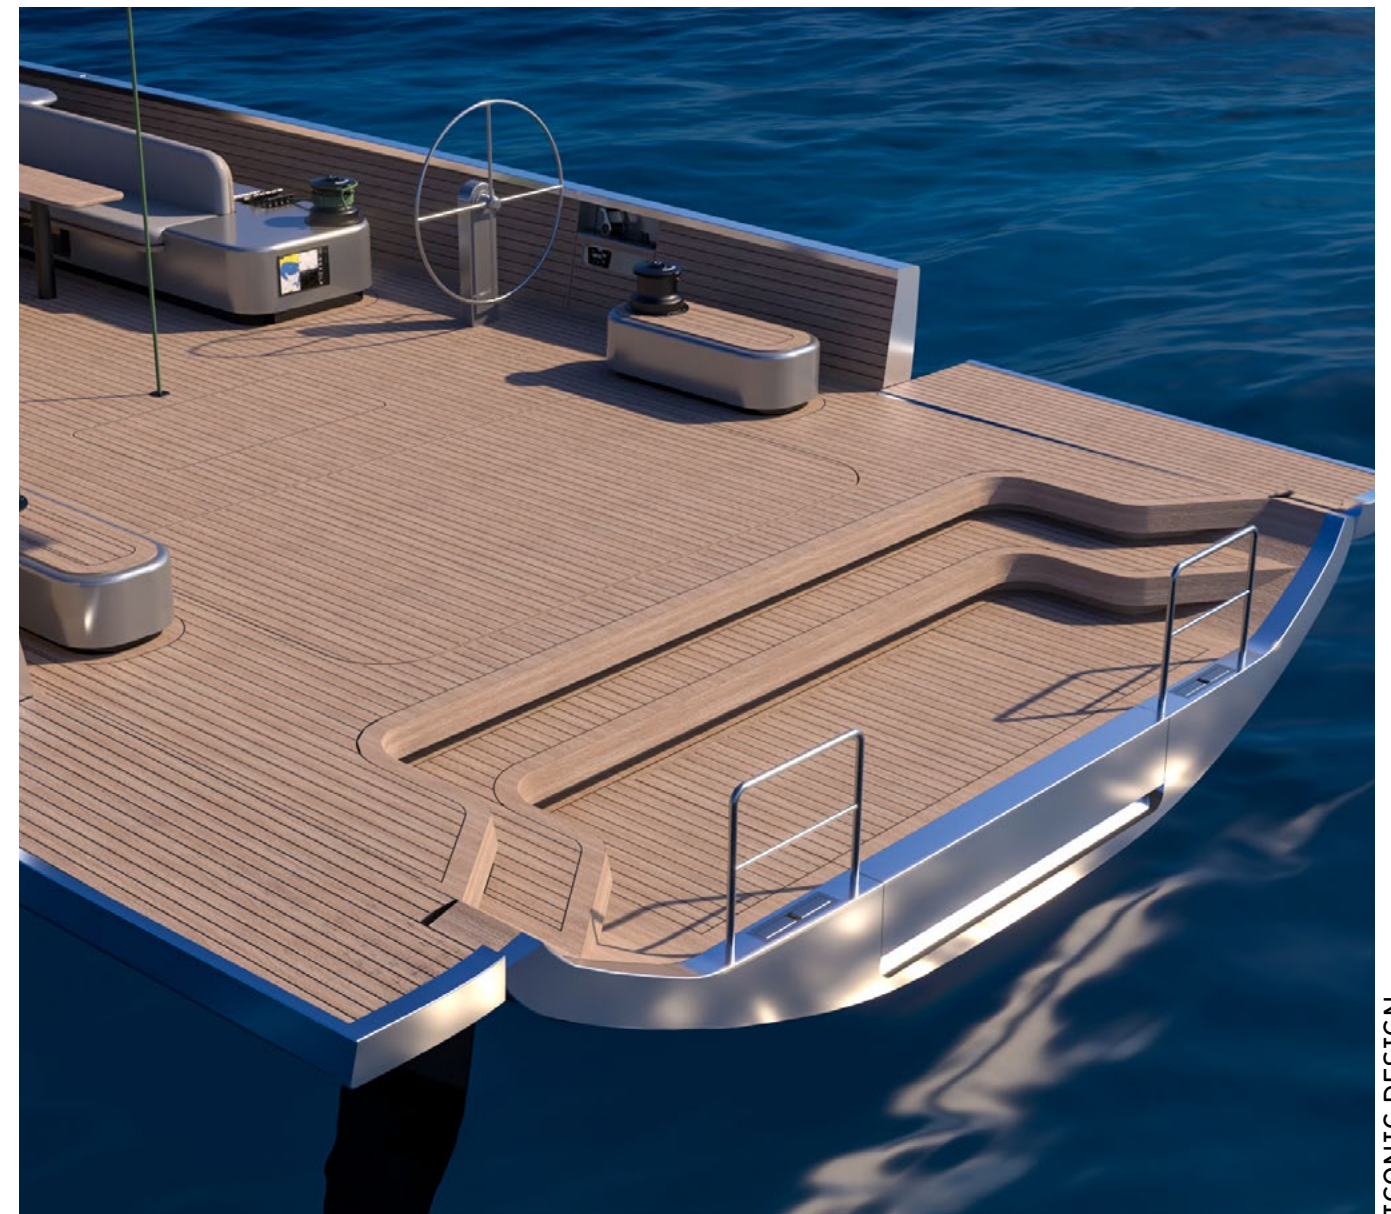

ICONIC DESIGN

OPENABLE WINGS

The fold-down bulwarks can be lowered, effectively transforming the yacht's side railings into an extension of the deck. This creates a seamless transition from the main deck to the enlarged aft deck, maximizing the available space and providing a sense of openness and connectivity with the surrounding environment.

ICONIC DESIGN

EXCLUSIVE LUXURY STYLE

ICONIC DESIGN

MEDITERRANEAN STYLE

Developed in collaboration with Wendover Studio, the refined interior tones are dominated by light colors and luxury materials to create a cozy and exclusive atmosphere.

CRAFTED
COMFORT

COMFORTABLE COCKPIT

The yacht boasts a generously sized, comfortable cockpit that is free from cluttered ropes and lines, providing an ideal space for enjoying the experience with family and friends. The single-level walkaround design enhances convenience and allows for easy movement around the yacht.

SWIMMING PLATFORM

Whether it's for relaxation or adventure, the fold-out stern platform ensures seamless access to the water, providing an exceptional experience for all on board.

EXTERIOR GALLEY

To better enjoy the boat in the sea, there's the option to have a galley coming up from the deck. It's fully equipped with 2 fridges, sink and a barbecue grill.

The sliding worktop allows to have a nice working space to prepare snacks and drinks for friends.

CRAFTED COMFORT

SUNBEDS

For a relaxing day, there is the possibility to customized the aft area with sun beds.

- stand alone removable sunbeds
- Inbuilt gimbaled sunbeds

CRAFTED COMFORT

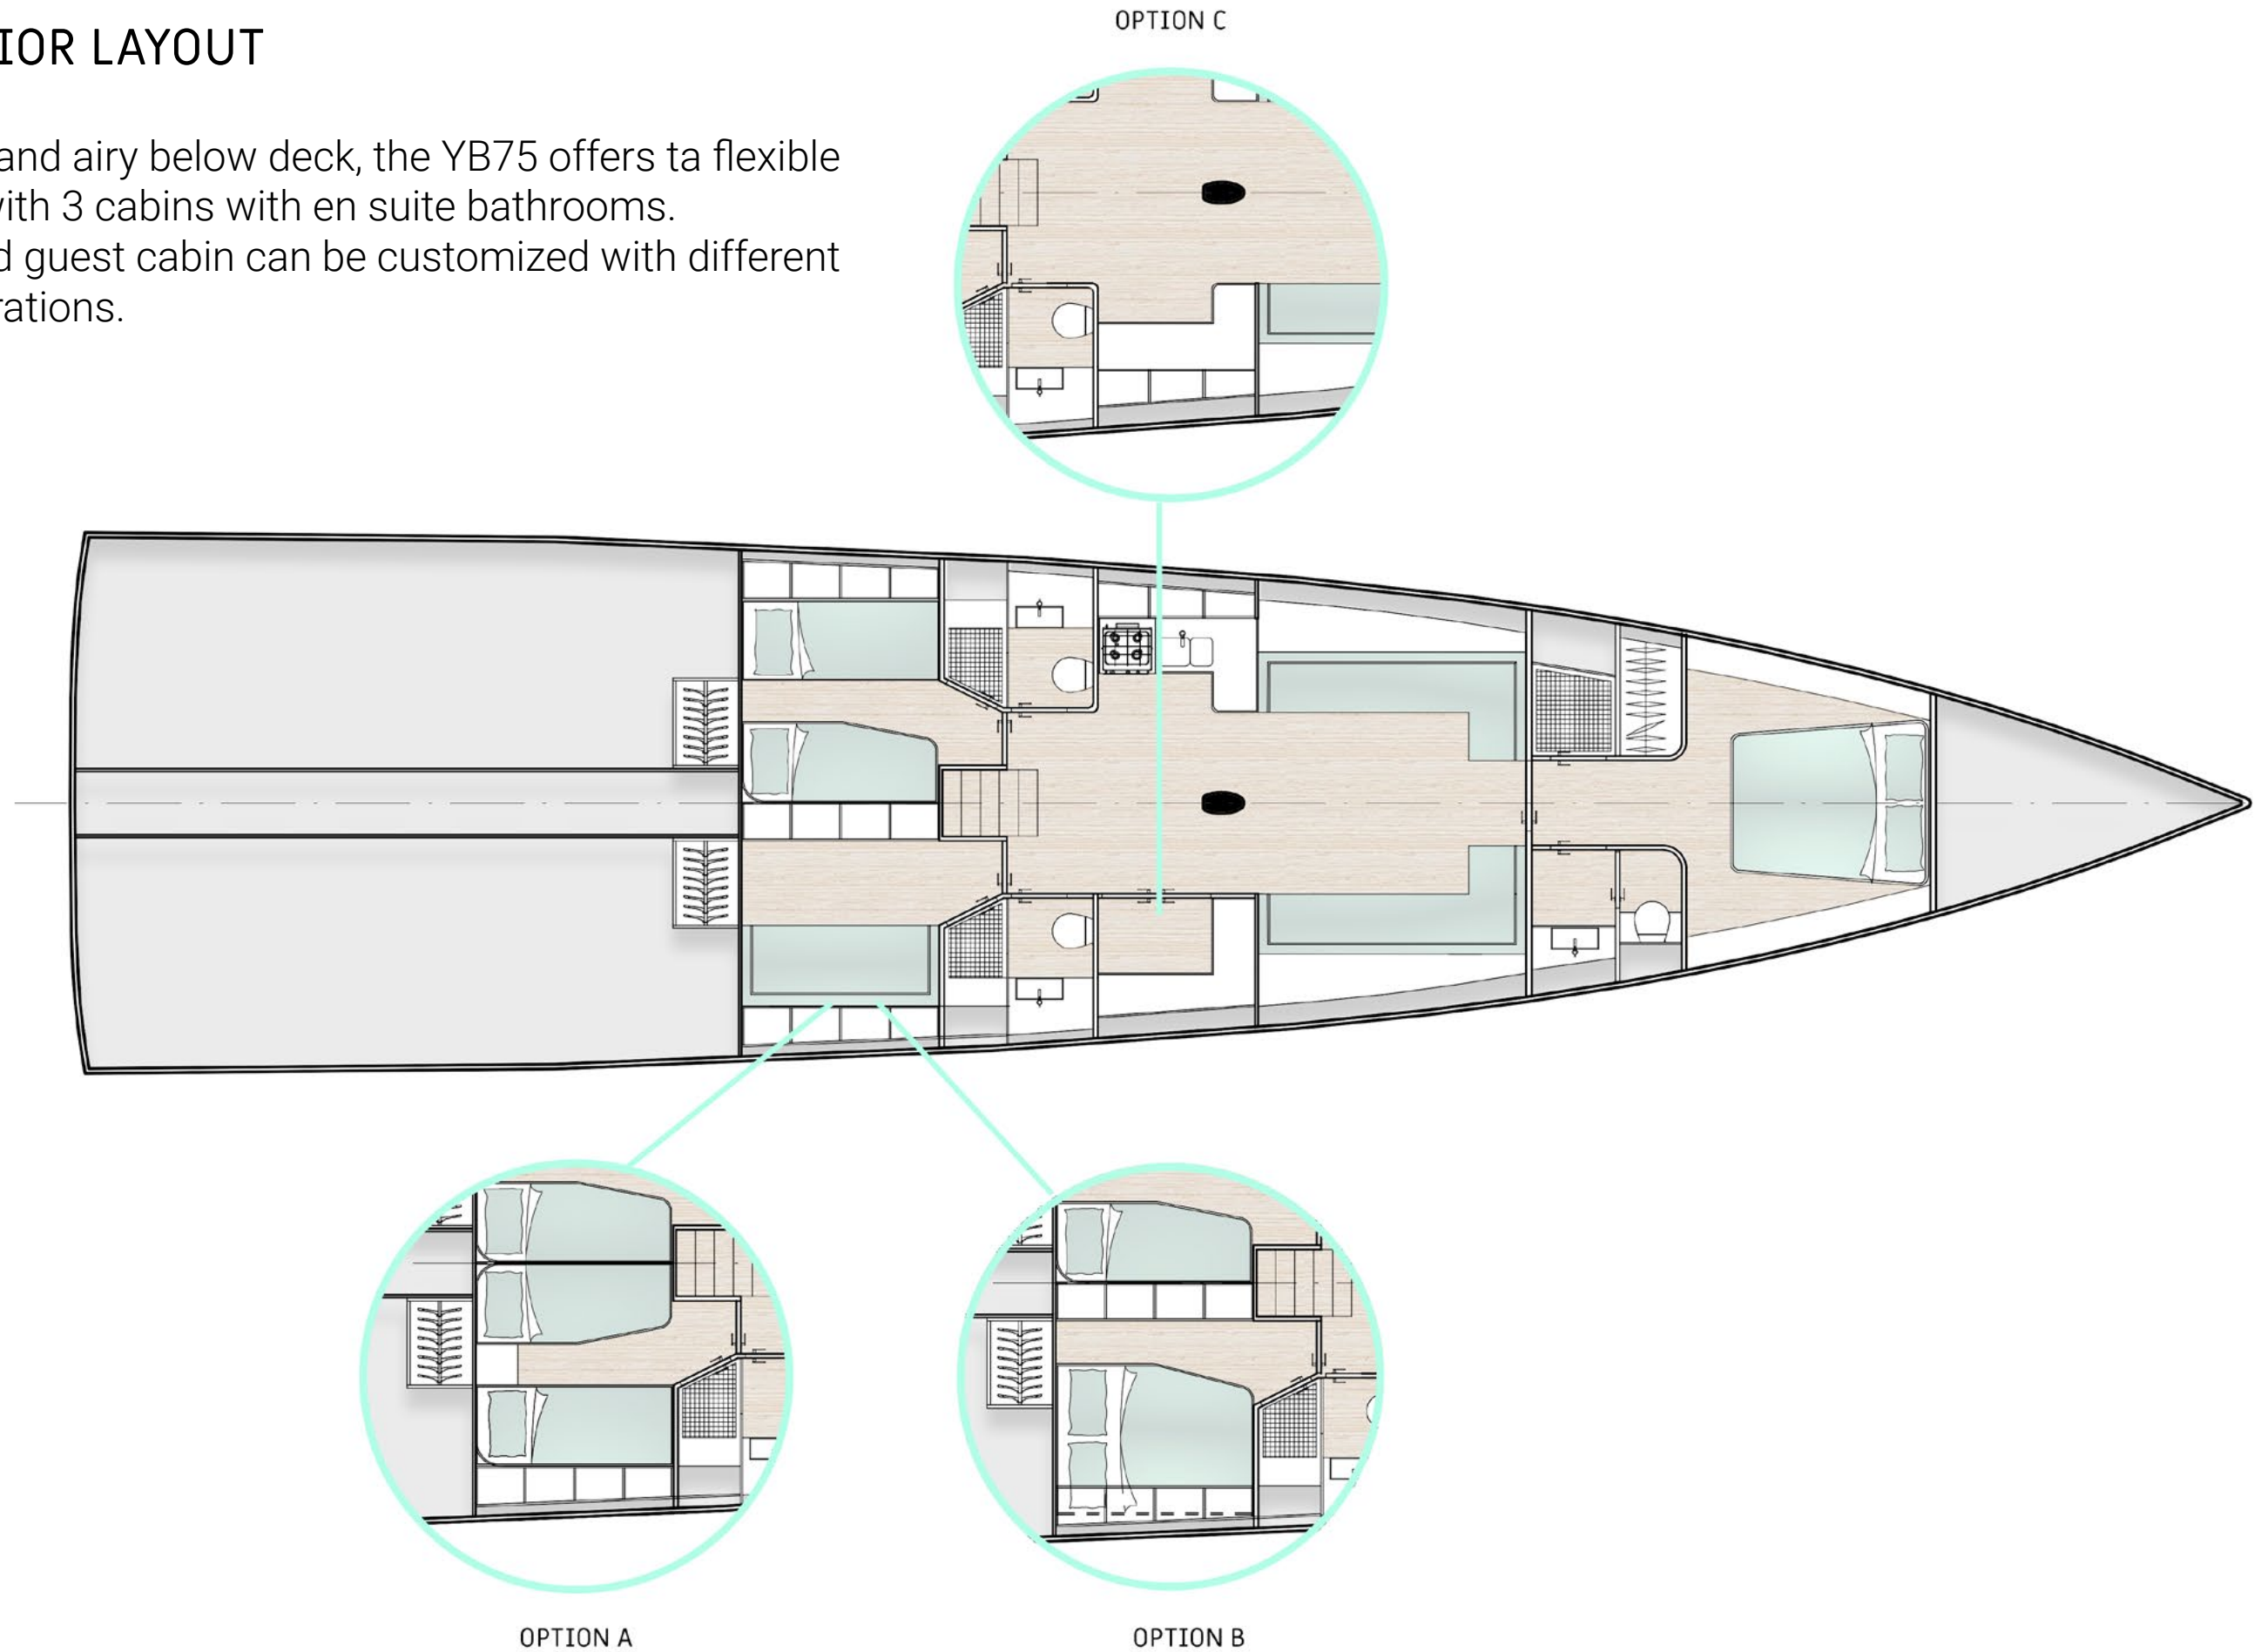

ELETRIC TELESCOPIC KEEL

In order to be able to head for shallower anchorages, the telescopic keel can reduce until 2,50 m.

CRAFTED COMFORT

INTERIOR LAYOUT

Roomy and airy below deck, the YB75 offers a flexible layout with 3 cabins with en suite bathrooms. The stbd guest cabin can be customized with different configurations.

*FUN
AND SEA*

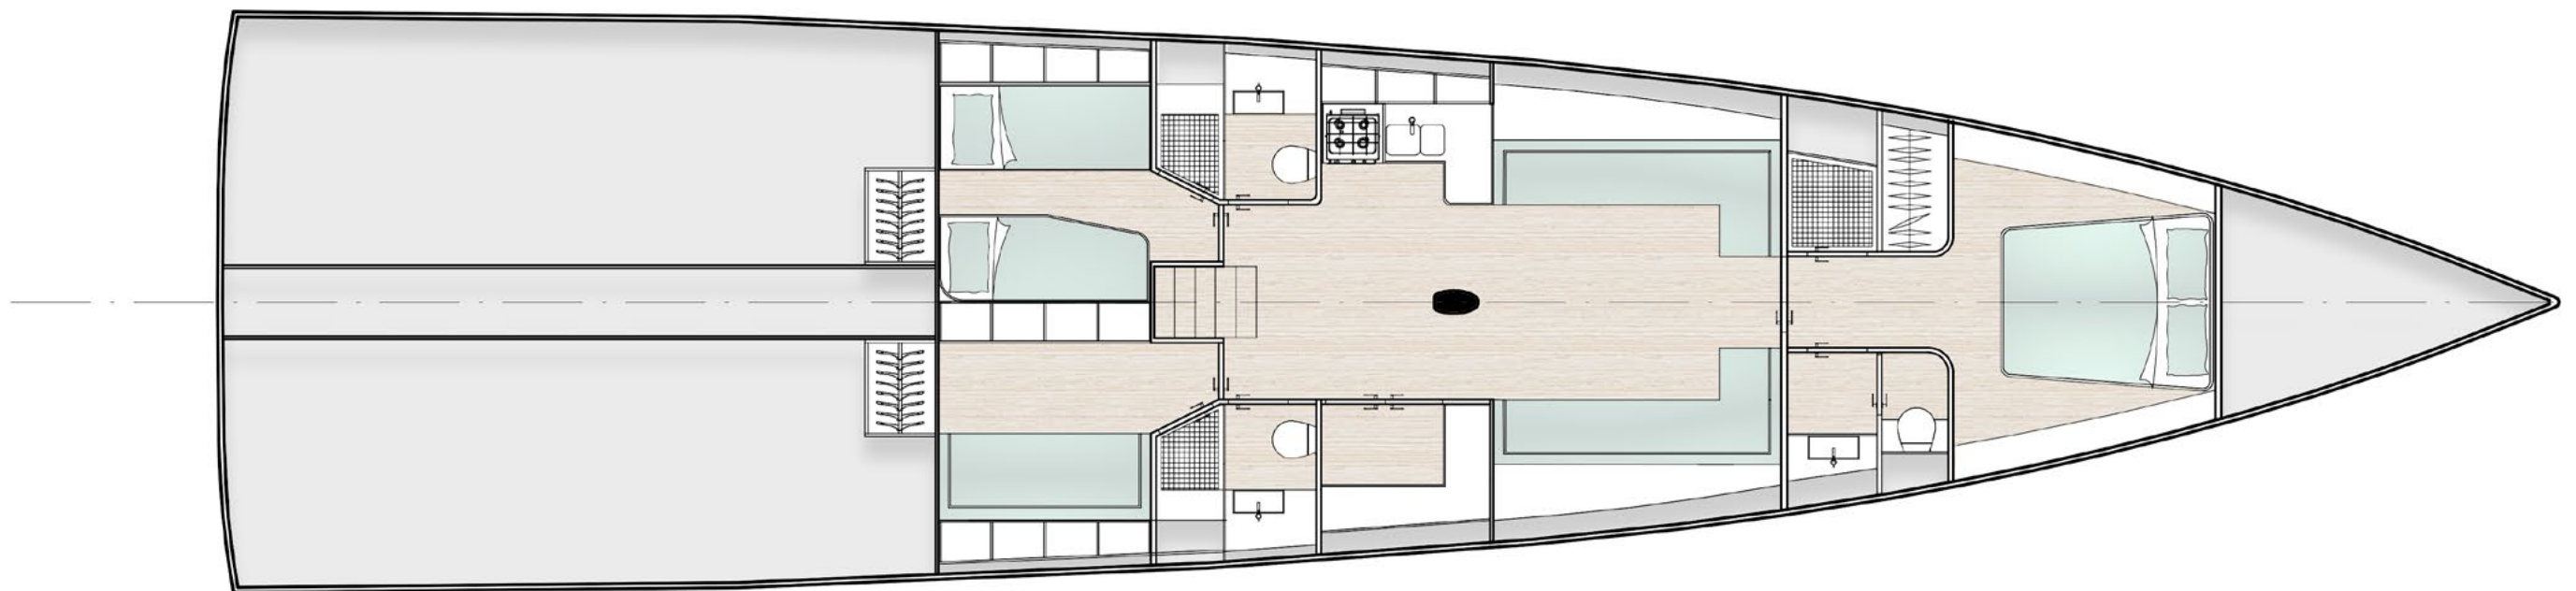

WATERSPORT FUN

The YB75 is made for enjoying the sea in the summer. Not only while sailing but also when mooring in a bay.

WATER TOYS GARAGE

Dedicated storage for toys, easy to put in the water thanks to the boom and the big space in the aft

GAME ROOM

The daybed in the stbd aft guest cabin can be transformed into a comfortable and inviting space for children to relax, play games, or engage in other recreational activities.

*SPORTY
PERFOR
MANCE*

WATER BALLAST

The inclusion of water ballast on the YB75 ensures excellent stability, even with a small crew.

FAST BOAT

A good handicap makes the YB75 interesting for racing with a small crew of max 6 people

SAILING CONDITIONS

Mainly Upwind up to 90° True Wind angle
True wind Speed 8-12 kn

SAILING
SIMPLICITY

EASY HANDLING

The YB75 is extremely easy to sail thanks to push buttons for self-tacking jib and automatized furlers for Code 0 and Gennaker, designed to make sailing exceptionally easy and user-friendly.

SAILING SIMPLICITY

YBREEZE

FENDERS

Thanks to a special system, fenders can be deployed easily without necessity of taking them off and storing somewhere. Like a powerboat, it will be easy, fast and with a clean design.

SAILING SIMPLICITY

APP CONTROL

How to make a sailboat easier to manage and control?

With the special Y Yachts App, it will be possible to control hatches, lights and companionway from the phone.

The boat will be ready to sail when the owner wants!

YBREEZE SHARING

There will be the possibility to purchase shares in a YB75 in yacht sharing concept. Each yacht can have max 4 owners who can organize the use of the boat with the help of the app.

SAILING SIMPLICITY

OCEAN
FRIENDLY

SYNTHETIC DIESEL ENGINE

The YB75 offers the option of a diesel engine running on synthetic diesel as an environmentally conscious alternative, providing a significant reduction in CO₂ emissions compared to conventional engines.

OCEAN FRIENDLY

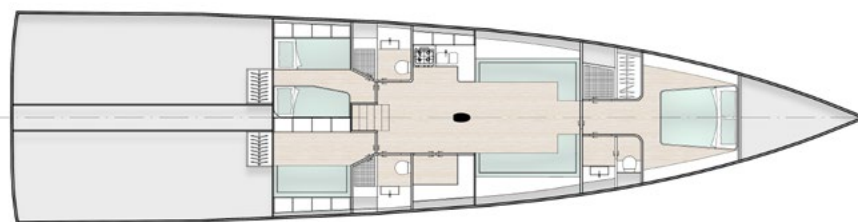

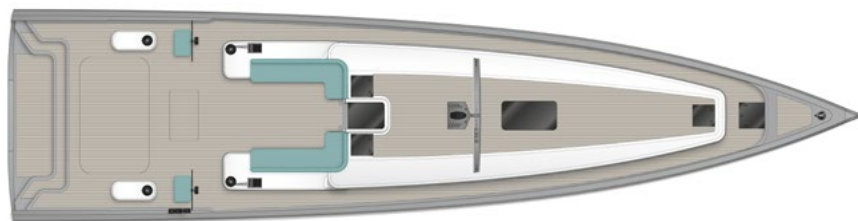

SUSTAINABLE INTERIOR MATERIALS

By incorporating sustainable epoxy for the interior bulkheads and utilizing waste wood for the veneer, the YB75 promotes responsible and eco-conscious practices in the yacht industry.
